Mr. Harold Weisberg
Hyattstown, Maryland

Dear Mr. Weisberg,

A while ago Mr. Dennis Berger wrote a letter to you about coming to the University of Wisconsin campus to speak about the Kennedy assassination. I would like to extend this invitation on behalf of the Union Forum Committee.

We would be interested to know if you could come sometime in early December before the 17th or sometime during the first two weeks of February. If there is a time when you could spend a full day here we could have a seminar as well as a lecture on the topic.

We hope that you will find it possible to accept our invitation and would be happy to discuss honorarium in future correspondence.

Sincerely,

Albert M. Teplin
Chairman
